

Hello from Adelaide!

In my last email I told you I was writing my next novel(s) and today I want to give you a sneak peek. To jog your memory, my next novel is actually a five book series called Hells Gate and I'm so excited for this series. Book One is set to be released in 2017. Read the blurb below.

* * *

Everything you think you know is about to change.

My name is Lucifer. You can call me Lucy - I'm also known as the Devil and Satan, though why my idiot brothers came up with those nick names is beyond me. I'm a Guardian Angel and I run Hell. Yup, I'm the CEO.

Hell is easy. Hell runs like a well-oiled machine. Punishment befitting your sins is carried out and once your sentence is done, voila, you get to go to Heaven. Simple. Easy.

Until suddenly there's a blip on the radar. A breach. Some numb nuts on earth is trying to open a portal to another dimension. A very bad, very terrifying, very deadly dimension. So instead of my simple life in Hell I end up earth side, where nothing is as it seems, looking for the soul stealing monster, avoiding the grumpy angel sent from Heaven and finding out my brothers Michael and Gabriel are twats. That last part's not true - I've known they were twats all along.

With an unexpected fondness for my new human friends as a distraction, and my demonic presence stirring up a shit show of epic proportions, all I want to do is go back to my peaceful life in Hell. But someone has to save the world. It may as well be me.

I'd love to know what you think, hit reply and let me know.

xoxo
